MISSOURI SOCIETY FOR HEALTHCARE ENGINEERING

2023 Sponsorship Opportunities

The Missouri Society for Healthcare Engineering is an association devoted to professionals who design, build, maintain, and operate hospitals and other health care facilities. We are dedicated to improving the quality of health care in Missouri through the professional development of individuals in supporting and allied fields.

With nearly 400 members statewide, MOSHE is comprised of members who are health care facility managers, engineers, architects, designers, constructors, infection control specialists, and others. While our membership is diverse, MOSHE members share a dedication to optimizing health care facilities and creating and maintaining safe healing environments.

Make Connections

We encourage fellow professionals to join us as we explore educational and networking opportunities. Getting involved with MOSHE is a great way to build your network of contacts, sharpen your leadership skills, raise your company's profile in the industry, and maximize your membership investment.

MOSHE Member Benefits

Educational Programs

Our programs are designed by our members, for our members, and include the topics that matter most. MOSHE's education programs have become even more accessible to members who can participate in-person or virtually. In 2022 we provided over 28-hours of valuable continuing education credits (CECs).

Committee & Volunteer Involvement

MOSHE relies on the dedication of our committee members and volunteers. Volunteer participation is vital to our success as a member-led organization.

Scholarships

Each year MOSHE provides nearly \$20,000 in scholarship funding for our members. MOSHE's scholarship funds support facility members to:

- Attend the ASHE Annual Conference
- Take the CHFM/CHC Exam
- Join ASHE
- Receive ASHE publications
- Attend the ASHE Region 8 Conference

Networking Events

Connect with industry professionals and gain access to networking opportunities to build and foster business relationships. Our membership is diverse, and we stay connected through our community. This year we will provide over 20-hours of valuable in-person networking time.

Directory & Resources

MOSHE members have exclusive access to our full membership directory. Our members can access our library of educational programs and meeting materials on our website, mosheonline.org.

Important Updates

The healthcare industry is one of the most heavily regulated, and there are frequent changes in policies to be aware of. MOSHE members receive timely updates from MHA, ASHE, TJC, CMS, and others.

Professional Development

Through educational programs, peer resources, networking events, and committee involvement, MOSHE members have many ways to stay connected. MOSHE members rely on the input and advice of their trusted colleagues and associates.

- Share best practices
- Demonstrate professional expertise
- Boost your resume
- Get referrals
- Use MOSHE's job board

Job Board

MOSHE members can post jobs and will be notified of each job posted via email upon approval. Do you want to post a job and receive an e-mail notice when new jobs are listed? Join MOSHE to receive this and other benefits!
