

PRESIDENT'S CORNER

Mike Bock
mike_bock@SSMHC.com

We continue to enjoy growth with MOSHE, the membership currently stands at 282! Way to go everyone. This makes MOSHE the second largest Personal Member Group in the Missouri Hospital Association, second only to Nursing (315). At the rate we continue to grow, we could very well be the largest Personal Member Group in 2013, if not before. With the guidance of our Education Committee, we continue offering exceptional educational opportunities for our members. Again, I want to **"THANK"** this vital Committee for all they do for MOSHE.

I have been involved with MOSHE for about 25 years and have gained an abundance of knowledge and experience from all of you, my peers and consultants. If you are not actively involved in MOSHE, I highly recommend that you get involved. We have so much that we can share with one another in an effort to ensure our healthcare organizations provide the best healthcare possible to all we serve. Also, if you are not currently a member of ASHE, I encourage you to look into the benefits of ASHE membership in addition to MOSHE membership. ASHE is a great resource for the day to day issues we face in our facilities. You can visit their website at ASHE.com. I would also like to remind you to visit the MOSHE website at mosheonline.org.

We also sent out a calling for nominations for President Elect 2013 and Directors for the MOSHE Board. If you have not already voted the deadline is Friday, November 2nd.

Doug Erickson, Northstar Management, will walk the Facility Membership of MOSHE through the proposed 2014 "Guideline for Design and Construction of Healthcare Facilities" on Thursday, November 15th. This is a meeting for Facility Membership at the MHA office in Jefferson City. I highly encourage you to plan to attend this important meeting. Some of us have been trying for years to get the Department of Health (DOH) to update the regulations; this meeting will be to seek input and comments on the proposed 2014 "Guideline for Design and Construction of Healthcare Facilities". We would like to get consensus from our Facility Members to recommend the State/DOH adopt the 2014 addition of the guideline so we will finally be up to date with the latest standards. If you have not already confirmed your attendance, please contact Barbara Warneke at bkwarneke@gmail.com to register. We would like a big turnout with a lot of discussion and comments at this meeting.

If you missed the annual Golf Outing which was on Monday, September 24th at Bear Creek Golf Club, in Wentzville, you missed a great educational program and an excellent day on the course. We started the day with our education program on "Active Shooter Risk Mitigation", presented by Rod Schaeffer and Ty Moeder with Mitigation Dynamics Inc. They provided the group with some real life saving information when and if confronted by an Armed Violent Intruder. This was followed by lunch and 18 holes of Golf by 160 golfers. I can't say enough about all the countless hours by the dozens of Volunteers that worked to make this year's event another huge success.

If you have any questions about becoming more active in MOSHE or joining ASHE, please let me know.

Mike L. Bock, SMA, CHFM, 2012 MOSHE President
Director Facilities

COMMITTEES AT WORK

EDUCATION

Brad Taylor, Chairman
Brad.taylor@samcstl.org

Linda Marie Grawl, Co-Chair
lmgrawl@zakcompanies.com

The November 8th education program at the Annual MHA Convention will feature Bob Bartels, Safety Management Services presenting "Managing the Risk Assessment Process and The Joint Commission Compliance Update". This year the MOSHE Education program will be on Thursday, November 8th.

The Education Committee has started planning the 9 education programs for 2013. Tentative dates have been selected. The Committee will next focus on the topics and speakers.

NOMINATING

Ballots were sent out for the 2013 President Elect and Directors candidates. With the resignation of Gary Thompson as Nominating Chair, the future Committee will consist of members of the MOSHE Board with Martin Grabanski as Chair.

SCHOLARSHIP

Mike Bock, Chairman
mike_bock@ssmhc.com

Mike awarded Ryan Fornkohl a scholarship in the amount of \$1,000. Ryan is a student at Southeast Missouri State University in Cape Girardeau.

ADVOCACY

Dan Mohrman, Chairman
dpm7457@bjc.org

Beginning with the planning of the August 21st education program, Dan has been very instrumental in the planning as well as the organization of the Facility Members meeting on November 15th to discuss Healthcare Regulations. If you have any questions, please contact Dan.

MEMBERSHIP

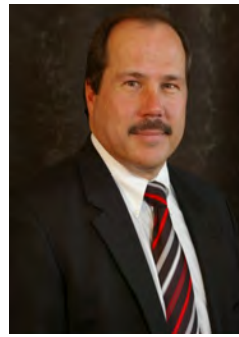

Peg.johnston@istate.com

Peg Johnston, Interstate power Systems, has accepted the position of Membership Chair. There will be more information from Peg in the future.

GOLF

Martin Grabanski, Co-Chair
MGrabanski@crmc.org

Fred Waldrop, Co-Chair
fwaldrop@murphy-stl.com

This year's Education/Golf Program at Bear Creek Golf Course was another huge success including the fabulous weather everyone enjoyed. The Committee is already planning for the 2014 event. A survey will be sent soon to all the participants for their input to help in the planning for next year.

COMMUNICATIONS

Martin Grabanski, Chairman
MGrabanski@crmc.org

Martin is continuing to update the website. He asks healthcare facility members to send him updated photographs of their facilities to include on the MOSHE's website.
