PRESIDENT'S CORNER

Dan Mohrman
dpm7457@bjc.org

What an “Outstanding” year for MOSHE!

Another Missouri Society for Healthcare Engineering Platinum Level Award, our first extremely well received one day educational conference, with key note speaker George Mills from The Joint Commission; the annual education program/golf tournament with the largest attendance ever for golf; followed by fun at the Missouri Hospital Annual Convention and Trade Show at the Lake of the Ozarks; and our annual Meet and Greet!

Brad Taylor was elected to the ASHE Board for Region 8, as well as President of MOSHE for 2014.

Attendance at our educational sessions and over-all membership was at an all-time high.

I would like to express my appreciation for all the effort expended by our committee leaders and members for their dedication and support for a truly Outstanding year.

Again, I would like to thank the MOSHE membership for an exciting and very productive year in 2013. Let's continue to strive to make MOSHE the most Outstanding Chapter in ASHE!

Dan Mohrman, 2013 MOSHE President
Director, Facilities Engineering
Barnes-Jewish Hospital, St. Louis, Missouri

MOSHE is dedicated to improving the quality of healthcare in Missouri through the professional development of individuals in the supporting and allied fields.

MOSHE is composed of healthcare support personnel from the finest facilities all over the state of Missouri. With members statewide and numerous associate members, we are a concentrated membership of professionals supporting facilities and operations for the delivery of quality healthcare.
