PRESIDENT'S CORNER

Doug Ruble
doug.ruble@hrhonline.org

I hope everyone enjoyed the 4th of July holiday, connecting with friends and family but also taking the time to remember the men and women in the military that have sacrificed in the past and are currently deployed keeping this nation free. We also need to keep the communities and displaced citizens affected by the spring flooding in our thoughts and prayers.

In 2014 MOSHE once again received the ASHE Platinum Award recognizing the Chapter as a high performance affiliate that represents the mission and objectives of ASHE. The MOSHE Boards commitment to our mission

in providing exceptional educational, networking and career enhancing opportunities to our membership is the key to achieving the ASHE Platinum Award year after year. Brad Taylor will be accepting the award at the 52nd ASHE Annual Convention in Boston on the membership's behalf. Thank you all for the continued support of the MOSHE Chapter!

MOSHE continues to provide excellent education events to our membership on a monthly basis. We will be hosting our 1st Webinar on August 26th with the topic, ASHE's Energy to Care Program. The Annual Educational Program and Golf Outing are set for September 14th at Innsbrook Resort; it is a great time and I hope to see you there. Don't forget to mark your calendar for the one day multi-topic seminar sessions on October 7th located at the Forest Hills Country Club. These are just a few of the events planned for the rest of the year and please take time to check the MOSHE website for dates, times and locations.

Next week is the 52nd ASHE National Convention and Technical Exhibition in Boston, Massachusetts. This is a great opportunity to attend educational session, be amazed at the technical exhibition, network with your peers and create new long lasting business relationships. I'm looking forward to it and I hope to see you there but if I don't please make sure to have fun while you're in Boston and travel safe.

Doug Ruble, CHFM, CPE, RHSO
2015 MOSHE PRESIDENT
Hannibal Regional Hospital

MOSHE is dedicated to improving the quality of healthcare in Missouri through the professional development of individuals in the supporting and allied fields.

MOSHE is composed of healthcare support personnel from the finest facilities all over the state of Missouri. With members statewide and numerous associate members, we are a concentrated membership of professionals supporting facilities and operations for the delivery of quality healthcare.

I am pleased to announce a new service to all MOSHE members. MOSHE has implemented a new feature on our website for job postings. You will see on the top bar of our web site the new link to our "Job Board" simply click on the "Job Board" and submit your Job Opportunity announcement. All members will be able to post job opportunities for their organization on the MOSHE website free of charge for 60 days. In addition, all job opportunities and listings will then be sent out, via email to all MOSHE members.

This is a great opportunity for all MOSHE members and your organizations to get the word out in one very competitive market for those skilled individuals we are all looking for! We hope you find these new added MOSHE services useful.
