MOSHE MATTERS

Quarterly Newsletter

September 30, 2016

PRESIDENT'S CORNER

Mike Bock
michael_bock@ssmhc.com

Hope this newsletter finds everyone well! Hard to believe it is already Fall. However I am ready for it, as it is one of my favorite times of the year.

The Chapter continues to provide exceptional educational programs for our membership thanks to the Education Committee. Once again, George Mills, TJC, will be participating as keynote speaker on October 12th for the 4th Annual One Day Seminar. I also would like to remind you about the 94th Annual MHA Convention and Trade Show held at Tan-Tar-A Resort November 2nd through 4th. On Thursday, November 3rd, MOSHE will have the annual Members Meeting prior to the education program. The members meeting provides everyone a review of 2016 and an preview of 2017 on MOSHE.

And the Golf Committee organized another very successful and fun golf outing again this year. If you missed it, shame on you.

We are also seeing continual growth in the chapter thanks to our membership committee and all of you that are encouraging our peers to get involved.

I would again like to encourage my fellow Facility Managers that are not already participating to look into Energy Star and Energy to Care program. It is a great resource to benchmark energy usages and look to the best in class. MOSHE has accepted the Energy **Challenge from our current ASHE President Terry Scott, this is an excellent way to "Show Me/Them" that Missouri is serious about** reducing our facilities energy consumption and using our limited resources wisely. Currently we have 7 hospitals participating, I know we can do better than this. If you are interested let me know.

As you all know, there has been a lot happening with the codes. As a reminder, The Joint Commission will start using the 2012 editions of these codes November 7, 2016, with their surveys. We will be looking for volunteers to help us revamp Missouri DOH regulations with the Department of Health in the near future as I mentioned last quarter.

As a lot of you know, Barb Warneke, our Coordinator for the chapter and much, much more, will be retiring at the end of the year. Barb has been instrumental in helping keep us on track and organized for the last several years. While we will all miss her greatly, we all wish her the best in the next chapter of her life. And, she knows she is always welcome to come to any of our meetings in the future.

I also want to congratulate Brad Taylor on his nomination as our 2017 ASHE President elect. Brad has been involved in MOSHE for several years serving on the Board, committees and as MOSHE President in 2014. I am confident that Brad will continue the great work of ASHE and represent Missouri and MOSHE well. Thank you Brad

In closing I again want to thank you for allowing me to serve as your MOSHE President this year. It is an honor and rewarding opportunity and experience.

Be Safe,

Mike L. Bock S.M.A., CHFM

2016 MOSHE President

Director Facilities
