MOSHE

MISSOURI SOCIETY FOR HEALTHCARE ENGINEERING

2026 Sponsorship Opportunities

The Missouri Society for Healthcare Engineering is an association devoted to professionals who design, build, maintain, and operate hospitals and other health care facilities. We are dedicated to improving the quality of health care in Missouri through the professional development of individuals in supporting and allied fields.

With nearly 300 members statewide, MOSHE is comprised of members who are health care facility managers, engineers, architects, designers, constructors, infection control specialists, and others. While our membership is diverse, MOSHE members share a dedication to optimizing health care facilities and creating and maintaining safe healing environments.

Make Connections

We encourage fellow professionals to join us as we explore educational and networking opportunities. Getting involved with MOSHE is a great way to build your network of contacts, sharpen your leadership skills, raise your company's profile in the industry, and maximize your membership investment.
